## YOUR SCHOOLS

The Freeland Community Schools have completed fourteen weeks of school. The school year is nearly one third over and many interesting events have taken place to date. The football team under the direction of Mr. Skillman and Mr. Dean Merritt have completed a very successful first season on a full K-12 basis. The formal dedication of the Miller Empey Natural Science Room was held on November 11, 1962. This room is a very fine addition to the school system and community. We are presently working towards accreditation with the University of Michigan with the acceptance prior to the first graduating class on May 29, 1963. The next step in accrediting will be with the North Central Association and we hope to be fully accredited with this As-

sociation prior to the graduating class of 1964. Many other activities have transpired since the opening of the school in September and many more are in the offering during the balance of December and the rest of this school year.

With the coming of bad weather and icy roads etc., it may be necessary to call off school or in some cases send students home early. Parents are requested to listen to any of the following stations: W.B.C.M. in Bay City, W.K.N.X. Saginaw, W.N.E.M. Channel 5, W.S.A.M. Saginaw, W.S.G.W. Saginaw, and W.M.D.N. Midland. We will try to notify these stations of closing of school between 6:15 a.m. and 6:45 a.m. on those days when it will be necessary to call off school. These stations will also be notified when it is necessary to send students

home early. Parents are asked to bear with us during the winter months as at times it will be almost impossible to maintain a time schedule because of weather conditions. Your patience will be appreciated in the scheduling of buses.

The Annual Band Concert was presented last Thursday evening in the High School Gymnasium under the direction of Mr. Karl Nemvalts who directed the Junior High and Senior High Bands. One of the highlights of the program was the showing of the new Band uniforms which were made available through the combined efforts of the Band Boosters and interested parents of Freeland School District. These uniforms are something of which we can all be proud and are greatly appreciated by the Band students.

On Thursday, December 20, 1962, Mrs. Lucille (page 2 col. 2)

Ludgin and Mrs. Norine Smith will present the Annual Choir Christmas Concert. This will definitely be an evening well spent for any who will attend the concert. The program will start at 7:30 p.m. in the High School Cafetorium with donations of 75 ¢ for adults and 25 ¢ for students. Mrs. Ludgin and Mrs. Smith extend a personal invitation to spend an evening of enjoyable choral music with the students of the Freeland Community School District.

The Elementary Band students presented an interesting program on Dec. 6, at the Elementary School under the direction of Mr. Nemvalts. This program included future band members of the Freeland Community Schools and was attended by almost 100 parents. Mr. Nemvalts wishes to extend his thanks to the parents for their interest in attending his program with the weather conditions such as they were that evening.

On Dec. 6, Mr. Skill-

man held an informative Wrestling Clinic to introduce this new competitive sport to the citizens of the school district. This clinic was well received by approximately 30 parents in attendance and Mr. Skillman extends a personal invitation to the parents to visit practice and Meets which will be announced at a later date.

The Basketball season opened December 7th with a game at Hemlock. Our boys did a very good job, although the score was 51 to 63, this is no indication of the type of ball the boys played for the first game of the season. Mr. Dan Craig and Mr. Dean Merritt would like to have you attend as many games as possible. The schedule has been listed in the calendar sent to you at the beginning of the school year. It is our feeling that these boys will grow with our school under

### MARGARET YEAKLE NAMED CO-ED CORRESPONDENT

Miss Margaret Yeakle,  
16, of 10285 Scott Rd.,  
Freeland, has been named  
Co-ed Correspondent for  
the 1962-1963 school  
year, according to an  
announcement by Margar-  
et Hauset, editor of Co-  
ed Magazine. Miss Yea-  
kle, the daughter of Mr.  
and Mrs. Henry L.  
Yeakle, is in the 10th  
grade at Freeland High  
School, Freeland. Her  
appointment was made by  
Miss Evelyn Beamish,  
Home Economics teacher  
at Freeland.

Selected for her qua-  
lities of leadership  
and her enthusiasm for  
home economics, Miss  
Yeakle will serve as  
Junior Advisor to the  
editors of Co-ed, na-  
tional magazine for  
teen-age girls, and will  
keep them informed of  
activities at Freeland  
High School. There are  
more than 2,500 Co-ed
